THE THEME OF OUR BOOTH FOR 2024 IS: LUXURY LIVING BY DESIGN

– CREATED BY JESSICA CINNAMON DESIGN

Every homeowner desires a well-designed living space. Toronto-based Jessica Cinnamon Design has teamed up with Calligaris furniture store to create the most stylish of living spaces. With a love of modern European sensibilities as an inspiration, the Jessica Cinnamon Design team has put together an inviting living room for you to experience.

“We wanted to create a luxurious living room space that exudes refined luxury for everyday living,” says Cinnamon. “We have layered together a space filled with well-crafted furniture, custom millwork, and quality finishes. A combination of natural materials and an understated colour palate creates a sophisticated, timeless bespoke aesthetic that is sure to inspire. This is our holistic and humble approach to interior design, showcasing our vision of luxury in its purest form.”
