Wood elements

"It was important for my clients to have a cosy, inviting space to come home to every day. I wanted them to feel as though they escaped to a weekend cottage. Throughout the home, I introduced wood, to give the spaces that extra layer of warmth."

– Designer Jessica Cinnamon, Jessica Cinnamon Design

Candles

"Just like you can bring in a cosy feeling with a hint of natural wood or greenery, candlelight is the most organic element in the lighting world."

– Designer Louis Duncan-He

High Park, white tea, mandarin and thyme scented CANDLE. \$24. vancouvercandle.co.com | SCENTED CANDLE in glass holder. \$20. hm.com | BEHJÄRTAD scented CANDLE in pot. From \$7. Ikea.ca

Dark coloured accent wall

"We chose Benjamin Moore's Deep Royal 2061-10 for a bold accent in this otherwise light and airy living room. The deep blue wall provides a perfect cosy and contemporary backdrop for our client."

– Designers Renée Frostick and Andi Wheelband, Two Birds Design
